

2018 Estimate vs Historical Processed Tomato Tons by Country

Updated September 4, 2018

Source: AMITOM, Tomato News, WPTC and USDA

*For the purposes of this report countries producing less than 3% of the Total World Est. Production were not represented in the bar graph

** California Only – other US states is less than 3% of the total world estimated production so it is not represented in the bar graph but it is included in the total world production figure.
